

*President
Barack Obama
November 4th, 2008*

We the People
insure domestic Tranquility, provide for the common
Article 1

I have a Dream...
"In a sense we've come to our nation's capital
republic wrote the magnificent words of the
Independence, they were signing a promise
fall heir.
This note was a promise that all men, great
guaranteed the inalienable rights of life, liberty
It is obvious today that America has failed the
citizens of color and it has failed the peace and
has given the Negro people a "stinging nettle"
marked "insulting".
